The Honorable Rosa L. DeLauro  
Ranking Member  
House Committee on Appropriations

Dear Chairwoman Granger and Ranking Member DeLauro:

This letter is requesting funding for the Charter Township of Northville's Public Safety Technology Improvement Project in fiscal year 2024. The entity to receive funding for this project is the Charter Township of Northville, located at 4405 Six Mile Rd., Northville, Michigan, 48168. The funding would allow for the Charter Township of Northville to replace their aging communications antennae, 911 phone system, security system, and a back up generator. The project is an appropriate use of taxpayer funds because it will improve the safety for all residents in the Charter Township of Northville and the 14 surrounding communities that rely on the proposed improvements.

The project has a Federal nexus because the funding provided is for purposes authorized by section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

This letter certifies that I have no financial interest in this project, and neither does anyone in my immediate family. Thank you for your consideration of this request.

Sincerely,

Debbie Dingell  
Member of Congress
